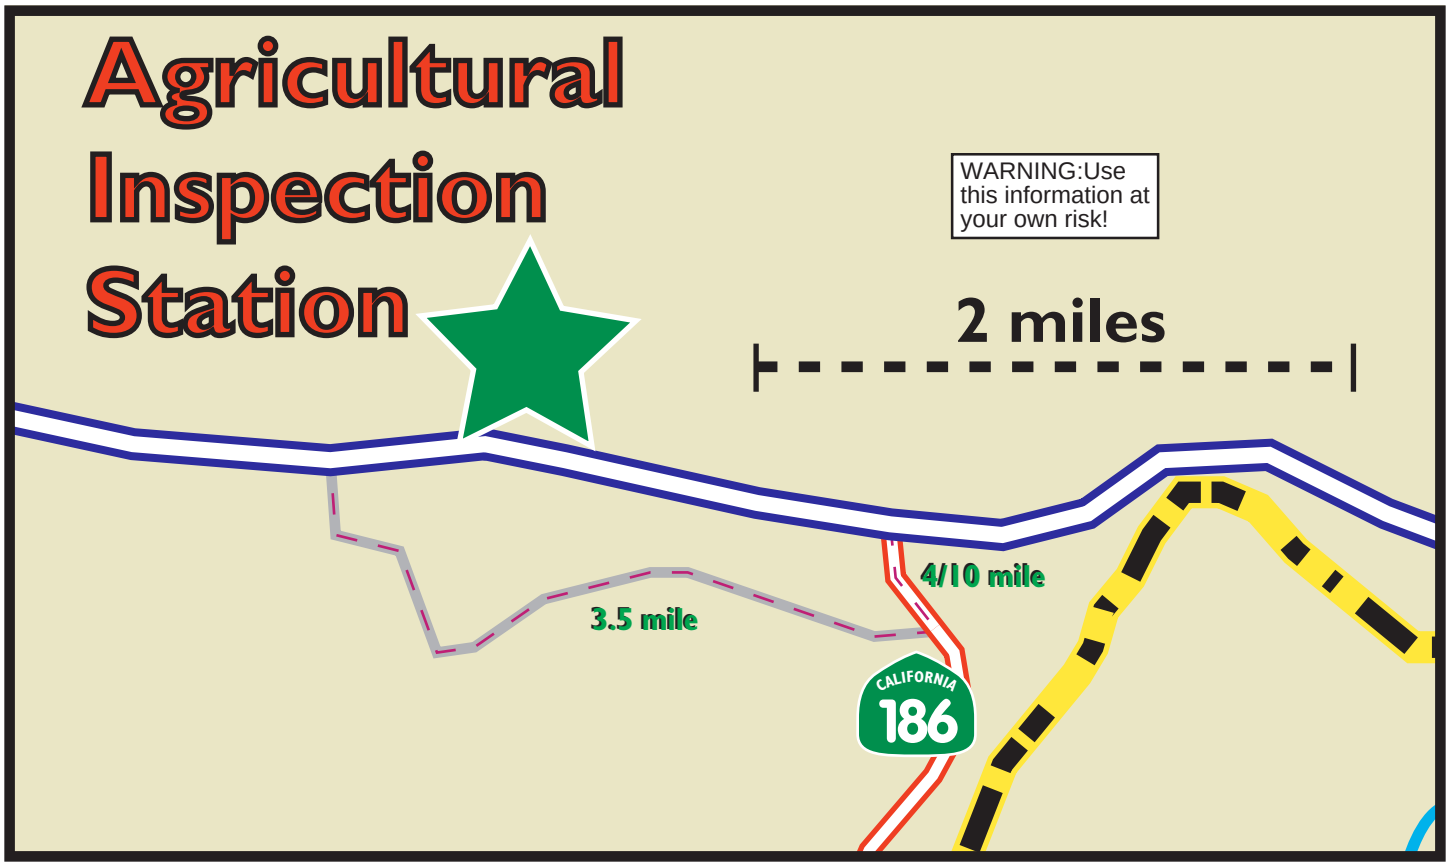
Entering *California* from Yuma, Arizona on Interstate 8

Please note: *California does NOT use mile-markers on it's highways, nor does it number it's exits!*
The California Agricultural Inspection Station coming into the state from Yuma on Interstate 8 is 7.4 miles in from the Arizona State Line. Please watch your odometer from Arizona's milemarker 0. The last exit before the Ag Station is 6.0 miles from the state line and is marked as "Algodones Exit". It should also note State Road (SR) 186.

After coming off the ramp, turn left and go under the freeway on SR 186. Watch your odometer carefully, and turn right just 4/10 mile south of the freeway. Follow this unmarked road westward for 3.4 miles and re-enter I-8 westbound.

Total distance from exit to re-entry = 3.^{9} mi.


NOTE: use your Adobe Acrobat magnifying glass to zoom in for details up to 800%.
